Founded in 1982, the Play Group is a cooperative run by parents and care-givers with guidance from a member of the church staff.

St Jean's has set aside a specially equipped room to offer a basic program, with each session including an art or crafts project, free play time, story time, snack, and music. It is a loving atmosphere—your little ones can come and have their first school experience making new friends and learning how nice it can be to go to school.

The emphasis is on socializing, and encouraging the children to get along with one another and to share playthings. They can have their birthday parties and celebrate special holidays together.
